

Peterborough Renovates Program (PRP)

WHAT IS PETERBOROUGH RENOVATES ?

The Peterborough Renovates Program (PRP) is a home repair program, funded by Canada Mortgage and Housing Corporation (CMHC) and the Ministry of Municipal Affairs and Housing (MMAH). The focus of the program is to help fund necessary repairs for low to moderate income home owners. The program may be expanded to include a rehabilitation component for multi-unit residential buildings in future years (2013-14).

Peterborough Renovates can help with expensive and necessary home repairs.

WHY WAS THIS PROGRAM CREATED ?

The Program, an optional funding initiative under the *Investment in Affordable Housing Ontario* program, is being implemented as a replacement to the *Residential Rehabilitation Assistance Program (RRAP)* which is no longer available in Ontario. Peterborough Renovates will be available through the City and County of Peterborough.
