

Millbrook Water Storage and
Water Servicing Expansion
Class Environmental Assessment

APPENDIX B

Notice of Public Meeting

Millbrook Treated Water Storage and Water Servicing Expansion Notice of Public Meeting Class Environmental Assessment

The Township of Cavan Monaghan has initiated a Municipal Class Environmental Assessment Study to address capacity and reliability issues associated with the existing water storage system. The current water storage capacity and existing watermain network need to be expanded to accommodate the growth forecasted in the Township's new Official Plan.

The project is being planned under Schedule 'B' of the Municipal Class Environmental Assessment October 2000, as amended in 2011. The study will review the need and justification for additional capacity and reliability for the water storage and distribution system. The Class EA process will assess the environmental, social and economic impact of various alternatives to identify a preferred solution for the required system upgrades.

In order to provide information to all interested parties and answer questions about the project, a Public Information Meeting is planned. Representatives of the Township of Cavan Monaghan and the consultant, R.V. Anderson Associates Limited, will be present to describe the work plan and address any questions. The Public Information Meeting will be held at:

**Place: Township of Cavan Monaghan
988 County Road 10 Millbrook, ON L0A 1G0 (Gymnasium)**
Date: February 26, 2014
Time: 7:00 p.m. to 9:00 p.m.

Following the Public Information Meeting, the consultant will review the comments received at the Public Information Meeting and will proceed with evaluation of all alternatives, giving full consideration to the public comments.

Your input to our planning process is important.

Please attend the Public Information Meeting to become informed and make your comments known to the project team. If you are unable to attend, provide your comments in writing to the attention of Mr. Reg Andres, P.Eng. of R.V. Anderson Associates Limited within 2 weeks of the meeting date. Copies of the information handout will be available from the Township's website or by contacting the consultant.

Notice of Public Meeting
Class Environmental Assessment

Millbrook Treated Water Storage and Water Servicing Expansion
The Township of Cavan Monaghan has initiated a Municipal Class Environmental Assessment Study to assess capacity and reliability issues associated with the existing water storage system. The water storage capacity and existing watermain network need to be expanded to accommodate the forecasted in the Township's new Official Plan.

A meeting is being planned under Schedule 18 of the Municipal Class Environmental Assessment Act, 2000, as amended in 2011. The study will review the need and justification for additional capacity and reliability for the water storage and distribution system. The Class EA process will assess the environmental, social and economic impact of various alternatives to identify a preferred alternative for the required system upgrades.

To provide information to all interested parties and answer questions about the project, a Public Information Meeting is planned. Representatives of the Township of Cavan Monaghan and the Ministry of the Environment and Energy Services will be present to describe the work plan and address questions. The Public Information Meeting will be held at:

Place: Township of Cavan Monaghan
988 County Road 10 Millbrook, ON L0A 1G0 (Gymnasium)
Date: February 26, 2014
Time: 7:00 p.m. to 9:00 p.m.

At the Public Information Meeting, the consultant will review the comments received at the information meeting and will proceed with evaluation of all alternatives, giving full consideration to all comments.

Your input to our planning process is important.

To attend the Public Information Meeting to become informed and make your comments known to the project team, if you are unable to attend, provide your comments in writing to the attention of Mr. Andrea P. Eng, of R.V. Anderson Associates Limited within 2 weeks of the meeting date. Copies of information handouts will be available from the Township's website or by contacting the consultant.

That's Our Girl!

Canada's En Route magazine sits in the pocket of every seatback on Air Canada flights and is read by thousands, worldwide. In the current issue they can read about Serena Ryder, described in bold print in the article's intro-

duction as a "Millbrook, Ontario native". In the article, she recounts her first music memory as being at the Millbrook Fair at age six or seven. This year, Serena has been nominated for five Juno awards.

Workshops Hint of Spring: Pruning Time Coming

Dress warm and know that Spring is just around the corner! The first of GreenUp Ecology Park's 'Planting our Friture' tree workshops will be held on Saturday, February 22, 1:00-3:30 pm at GreenUp Ecology Park on Ashburnham Drive (beside the Peterborough Utilities parking lot). The cost is \$10.

'Fruit Tree Pruning 101' is an outdoor demonstration-style workshop with Andy Harjula and Peterborough GreenUp, who will be pruning some of the nursery apple trees and answering questions.

The workshop will cover the basics of fruit tree pruning for tree health, ease of picking and bountiful harvest.

There are two additional workshops planned in the 'Planting our Friture' series: On Saturday, March 22, Andy will discuss location, soil type and growing conditions as part of the workshop, 'Selecting the Right Fruit Tree and Planting Your Fruit Tree Right!'

On April 26, the workshop will cover various methods of propagation to grow strong trees and productive orchards.

How to Save Seeds

A full day workshop is planned for Saturday, February 22 for all those interested in learning how to save fruit and vegetable seeds on a variety of scales.

Whether you are wondering about expanding your farm business to include the production and sale of your own seed crops, or are interested in saving your own garden vegetable and fruit seeds from year to year, this workshop will offer an opportunity to learn from experienced sources, discuss interests and ask questions.

The program leaders are Dan and Mary Brittain (The Cottage Gardener) who have been growing their organic heirloom seed business for the last 17 years; Susan

Chan (Farms at Work - Native Pollinators Program), a pollination biologist and local beekeeper; and Jill Bishop (Urban Tomato) who manages the Peterborough Community Garden Network and is an experienced seed saver and trainer.

The workshop cost is \$25 and includes a copy of Seeds of Diversity Canada's 'How to Save Your Own Seeds'. Pre-registration is required by February 20, on-line at www.savingseed.eventbrite.ca.

The workshop will be held 10 am - 3 pm at St. John's Anglican Church Hall, 1da, with registration at 9:30 am. For more information, call Jay Adam, 705-743-7671.

Hearing Moves to Toronto

Celia Hunter

On Friday, February 7 it was announced that the hearing scheduled for Monday, February 10 would take place in Toronto instead of in Lindsay. All those unable to make the trip to Bay Street were able to listen to the proceedings via a conference call.

The proceedings began at 10 am with a request, from counsel for the appellants, to adjourn the hearing until the director had a chance to review the decision to approve the FIT contract in light of a possible newly identified noise

receptor.

An affidavit was received Friday from Mr. Shawn Sutcliffe, a landowner, indicating he owned a habitable cabin within 500 metres of one turbine.

This began a long day of arguments back and forth, with counsel for wpd Canada proposing that seven components of the appellants' case, making up most of the points for appeal, be struck down as invalid.

The hearing was scheduled to continue Friday.

TOWNSHIP OF
CAVAN MONAGHAN

Have it all. Right here.

Millbrook Treated Water Storage and Water Servicing Expansion Notice of Public Meeting Class Environmental Assessment

The Township of Cavan Monaghan has initiated a Municipal Class Environmental Assessment Study to address capacity and reliability issues associated with the existing water storage system. The current water storage capacity and existing watermain network need to be expanded to accommodate the growth forecasted in the Township's new Official Plan.

The project is being planned under Schedule 'B' of the Municipal Class Environmental Assessment October 2000, as amended in 2011. The study will review the need and justification for additional capacity and reliability for the water storage and distribution system. The Class EA process will assess the environmental, social and economic impact of various alternatives to identify a preferred solution for the required system upgrades.

In order to provide information to all interested parties and answer questions about the project, a Public Information Meeting is planned. Representatives of the Township of Cavan Monaghan and the consultant, R.V. Anderson Associates Limited, will be present to describe the work plan and address any questions. The Public Information Meeting will be held at:

Place: Township of Cavan Monaghan
988 County Road 10 Millbrook, ON L0A 1G0 (Gymnasium)
Date: February 26, 2014
Time: 7:00 p.m. to 9:00 p.m.

Following the Public Information Meeting, the consultant will review the comments received at the Public Information Meeting and will proceed with evaluation of all alternatives, giving full consideration to the public comments.

Your input to our planning process is important.

Please attend the Public Information Meeting to become informed and make your comments known to the project team. If you are unable to attend, provide your comments in writing to the attention of Mr. Reg. Andres, P.Eng. of R.V. Anderson Associates Limited within 2 weeks of the meeting date. Copies of the information handout will be available from the Township's website or by contacting the consultant.

CARD OF THANKS

FALLIS - The family of the late Kenneth Fallis of Millbrook would like to convey their sincere appreciation to our many friends and neighbours who visited or called us, sent cards and made donations in memory of Ken. Your expressions of sympathy, support and kindness at this time has been much appreciated.

Pat, Terry & Debbie, Randy & Maureen, Jessica, Alanna & Laura Fallis

THANK YOU

KLOEPFER, James

Shirley, Kathy (Wayne), the late Chris (Vivien) and our families would like to extend a warm thank you to our dear extended family, friends, staff of JWK Insurance, business associates, fellow parishioners and neighbours who have given us love, flowers, baking, and their support at this time.

We also extend our gratitude to PRHC emergency, B3, and Palliative Care Staff for their care and compassion to both Jim and the family.

Thank you to The Knights of Columbus, Parish of St. Thomas More (Millbrook), Father Randy and Benson's Funeral Home, especially Patrick, for assisting us with a wonderful celebration of Jim's life.

His memories and legacy will remain in our hearts as time goes on. God Bless.

THANK YOU FOR READING THE MILLBROOK TIMES!

Preliminary Hearing for Sumac Ridge Appeal Into Second Week

Celia Hunter

The preliminary hearing for the Sumac Ridge Appeal was to continue this week, on February 19 and 20, at 655 Bay Street in Toronto. The Wednesday meeting is again a Motions Hearing, as Counsel for the various parties move to have changes made in what was considered in the appeal. The Thursday meeting

will be by teleconference only. In a press release on Saturday, February 15, Manvers Wind Concerns reported that there is "not a lot to tell you about the legal motions with regard to the Sumac Ridge ERT being heard in Toronto as a lot of legal balls are up in the air. We can tell you this though. We are giving the government

and the wind company a real run for their money, and we have only just begun." On Monday, February 24, busloads of concerned local citizens will take part in a protest march from Queen's Park to The Royal York Hotel, as municipal and provincial representatives meet at the annual ROMA/OGRA conference.

Cavan Ward Candidate Requests a Little Time

Celia Hunter

Nelson Edgerton at the time of his retirement from the Cavan Monaghan Fire Department in August 2012. File Photo

On February 11, Nelson Edgerton filed his nomination papers for the position of Councillor for Cavan Ward. The incumbent is Jim Chaplin. Contacted by The Millbrook Times for a photo and interview or press release, Mr. Edgerton requested some time to develop his ideas. He did say, in a telephone conversation, that it has been his intention since retiring to run for

Council. Mr. Edgerton joined the Fire Department as a volunteer firefighter in 1974, and worked his way up through the ranks to Captain and District Chief. He served as Fire Chief for Cavan Monaghan for 14½ years, as well as the Community EMS Co-ordinator. Mr. Edgerton lives on Mount Pleasant Road.

Maternity Leave Replacement

Multimedia Advertising Sales Representative

The Peterborough Examiner Advertising department is looking for a multi media Outside Sales Representative. This is a 12 month contract covering for a maternity leave.

The successful candidate must have an excellent understanding of the advertising world and possess a strong knowledge in both marketing and media. You will be responsible for generating and growing advertising revenues through our current customers with a strong focus on new account development. You must have the ability to react quickly to sales opportunities while managing regular sales activities.

- Responsibilities:**
- Research, prospect and establish leads in print and online through telephone solicitation, personal visits, networking and other lead generating activities.
 - Actively develop and maintain a sales funnel consisting of qualified prospects.
 - Prepare and present sales proposals to decision makers while effectively communicating the company value proposition.
 - Build and maintain solid long-standing relationships based on trust, integrity and exceptional customer service.
 - Generate and maintain advertising revenues through current customers.
 - Meet budgets, sales goals and schedule deadlines.
 - Consistently deliver excellent customer service.
 - Cover sales territories and special projects as required.

- Qualifications:**
- Advertising enthusiast, online and in print.
 - Excellent oral and written communication skills.
 - A good understanding of the "Value" or "Consultative" selling process.
 - Goal oriented to achieve targets through self motivation, persistence and a drive to succeed.
 - Post secondary education in advertising/marketing/sales or equivalent work experience.
 - Strong computer skills (Microsoft Office, PowerPoint).
 - Strong prospecting skills.
 - Strong negotiating and account planning skills.
 - Well organized with an attention to detail.
 - Ability to utilize market research and other data in creating presentations.
 - Ability to work independently and thrive in a busy, fast-paced environment.
 - Valid Class "G" driver's license.

If you have the passion to succeed and enjoy selling in a fast-paced, ever-changing

January 13, 2014

988 County Road 10
Millbrook, Ontario, L0A 1G0

Dear Mr. Hancock :

Thank you for the information you sent to Hiawatha First Nation regarding "Millbrook Treated Water Storage and Water Servicing Expansion " which is being proposed within Hiawatha First Nations' Traditional and Treaty Territories. Hiawatha First Nation appreciates the fact that the Township of Cavan Monaghan recognizes the importance of First Nations Consultation and that your office is conforming to the requirements within the Duty to Consult Process. The correspondence we have received is not considered to be meaningful consultation but rather information sharing.

However, as per the Hiawatha First Nation Consultation Protocol, your proposed project is deemed, having minimal potential to impact Hiawatha First Nations' rights at this time , but would like to be kept apprised of any updates, archaeological findings, and/ or of any environmental impacts, should any occur, please.. We reserve the right to comment later, if something further along in the process is deemed to be a potential impact.

We would like to be contacted if artifacts are found and to be sent any archaeological reports as they are completed. We also have trained archaeological liaisons that we require being present at the archaeological sites during the assessments if First Nation artifacts are found.

Although we may not always have representation at all stakeholders meeting, it is our wish to be kept apprised throughout all phases of this project.

We would also request that any maps pertaining to projects be sent in a shape file.

We can be contacted at the mailing address above or electronically via email, at the email address below.

In good faith and respect,

Lori Loucks and Diane Sheridan
