

# The Township of Cavan Monaghan Zoning By-Law Project Update and Notice of Open House #2

## Requesting Input on Zoning By-law Discussion Papers

A series of draft Discussion Papers have been prepared to identify key issues with the existing Township Zoning By-law and discuss a range of options for addressing these issues. Recommended directions for a new Township Zoning By-law are also identified, and we are now looking for input on these recommendations. Members of the public are invited to review and comment on the draft Discussion Papers, which can be found at: <http://cavanmonaghan.net/en/servingyou/zoning-by-law-project.asp>

## Interactive Mapping Tool Now Available

A new interactive zoning map has been created to make it easier for residents to find out about the existing zoning on a property. Following the preparation of new draft Zoning By-law this summer, the map will also be updated with proposed zoning. To experience the interactive mapping tool for yourself, please visit:
