

Notice to all Cavan Monaghan Residents

Mattress Recycling Program

July 24, 2015

Dear Residents,

On **September 1, 2015** the County and City of Peterborough will be introducing a new recycling program for mattresses and box springs. Studies indicate that approximately 11,000 mattresses and box springs find their way to the Peterborough City/County Waste Management Facility every year. The Township of Cavan Monaghan will be joining the Mattress Recycling Program with the County and the City of Peterborough to help reduce the large items from entering the landfill. As of August 1st, the Transfer Station will be adopting the program and will no longer be accepting mattresses and box springs.

With new technology we are now able to recycle the material which will cut back on landfill space and will be more environmentally friendly. Mattresses and box springs must now be taken to the Peterborough City/County Waste Management Facility located at 1260 Bensfort Road. The cost is \$10.00 per unit. The material will then be taken to a recycling facility.

We apologize for any inconvenience this may cause and we appreciate your cooperation. If you have any questions or concerns please feel free to contact the Municipal Office at 705-932-2929.

Thank you for your cooperation.
